LANDOUR

Let the roar of daily life soften to a GENTLE MURMUR

Step away from the noise and immerse yourself in the bliss of nature at Landour. A historic cantonment town nestled just **20 minutes from Mussoorie.**

**Inspired by the Wisdom Of Life ,
we invite guests to experience raw nature.**

It took 9 months to complete this space from the time of its idea conception with the blessings of mother nature. Perched on a mountain cliff, each room at 9 Bows is designed with a elemental wisdom of cosmos engulfed the unspoiled beauty of the surroundings, unmixed music of nature, unheard sound of animals from chirping of birds to the snorting of piglets, where you wake up with sunrise by the cockdookoo of a cock, noons are filled with bleating of billy kids and night accompanies the woof woof bark of a faithful friend like telling you to sleep without any fear which we never able to hear in the hustle bustle of urban life.

The decor featuring minimalistic use of local elements with and Original oil paintings of banaras ghats and Raas by famous Indian artists enhance each space, providing a splash of culture.

Experience the harmony of architecture, where nature meets art, sustainability is the silent witness to history preserved. Each brushstroke of arts captures the essence of time, connecting the past with our sustainable present.
